

# Gooseneck Type Free Vent

## Model 151

### Product Description

StorageTech™ Model Number 151 Free Vent is designed for use tanks containing non-volatile liquids.

Model Number 151 helps air and vapors to travel freely in and out of storage tanks, and also offers efficient flow capacity to protect storage tanks from positive or negative overpressure.

Model Number 151 is designed to protect the vent against outside factors, such as dust, wind, rain, and insects.

They are typically mounted to a flange or pipe, which connects the space of a storage tank.

## Manufacturing Materials

Trunk Flange / Pressure Direction	Cage Wire
Carbon Steel	304 S.S.
304 S.S.	
316 S.S.	

## Certificates & Standards

## Product Benefits

- SPVV provides safety. Wire mesh protects your storage tank from out side factors, such as fire, rain, wind, dust, and insects, therefore portects the quality of the liquid.
- Easy to install. You do not need a special tool experience to install the StorageTech PVV Model 151.
- StorageTech PVV Model 151 comes with the paint color you choose.
- Resistant to corrosion.
